

International UV Filter Radiometer Comparison

**PMOD/WRC, WCC-UV, Davos, Switzerland
Summer 2017**

From 19 June to 18 August 2017, the World Calibration Center for UV will organize an International UV Filter Radiometer comparison as part of the WMO/GAW program.

Institutes which would like to participate should contact G. Hülsen (gregor.huelsen@pmodwrc.ch).

Further information will be available on the PMOD/WRC website at: <http://projects.pmodwrc.ch/bb2017>

The characterization and calibration activities will cover:

- Spectral Responsivity
- Angular Responsivity
- Absolute Calibration (supported by CMC's within the CIPM MRA*)

The calibration is free-of-charge, instrument shipping costs are the responsibility of the participants.
